

Technical Theater Teacher

Under the guidance of the Department Chair of the Performing Arts Department, this position works closely with the production team to present plays and concerts as well as teach two technical classes.

Duties and Responsibilities include but are not limited to:

- Organize groups of students, parents, and faculty to construct all sets.
- Meet production calendar deadlines by completing sets and dressing by the week prior to production.
- Collaborate with the Performing Arts team for the activities of all technical departments from lighting to carpentry.
- Oversee the use and maintenance of theater equipment.
- Teach two sections of the upper school technical theater class
- Oversee a Study Hall class.
- Advise a group of 10 upper school students.
- Support with the Landmark Experience class.
- Organize with the production team, class, and parents to help with strike, if needed.
- Help with various AV setups throughout the year.
- Assist with outside rentals.
